

Pagina Facebook

Nuova pagina Facebook dell'Artigiano

The screenshot shows the Facebook profile page for 'Artigiano Del Software di Fabio Genovese'. The page features a cover photo of a medieval manuscript illustration depicting knights on horseback. The profile picture shows two people working at a computer. The page name is 'Artigiano Del Software di Fabio Genovese' with the category 'Internet/Software'. The navigation menu includes 'Page', 'Messages', 'Notifications', 'Insights', 'Publishing Tools', 'Settings', and 'Help'. A 'THIS WEEK' summary box displays the following statistics:

THIS WEEK	
11	Post Reach
1	Post Engagement
0	Website Clicks
1 of 1	Response Rate
2 minutes	Response Time

Below the summary box, there is a 'Recent' section with the years 2015 and 2013. A status update from the page is visible, dated December 27 at 9:01pm, with a 'Very responsive to messages' badge indicating a 100% response rate and a 2-minute response time.

Già da qualche giorno è attiva la [pagina Facebook dell'Artigiano](#) :-), dove ho già riportato alcuni articoli e dove pubblico notizie sull'argomento Atlassian. I Like sono ben accetti ☐
